

## What is the JULCD?

The JUST U.S. Large Cap Diversified Index (JULCD) is designed to track the performance of U.S. large-capitalization companies that most closely align with the American public's definition of just business behavior. The JULCD Index includes the top 50% of Russell 1000 companies ranked by JUST Capital by industry and is constructed to match the its industry weights.

## What's unique about the JULCD?

The index reflects the values of the American public while providing diversified equity exposure.

## ABOUT JUST CAPITAL

JUST Capital was co-founded in 2013 by a group of concerned people from the world of business, finance, and civil society – including Paul Tudor Jones II, Deepak Chopra, Rinaldo Brutoco, Arianna Huffington, Paul Scialla, and others. Our mission is to build a more just marketplace that better reflects the true priorities of the American people. We believe that business, and capitalism, can and must be a positive force for change. We believe that if they have the right information, people will buy from, invest in, work for, and otherwise support companies that align with their values. And we believe that business leaders are searching to win back the trust of the public in ways that go beyond money. By shifting the immense resources and ingenuity of the \$15 trillion private sector onto a more balanced – and more just – course, we can help build a better future for everyone.
