JUST SEAL GUIDELINES

2024

CONGRATULATIONS ON BEING NAMED ONE OF AMERICA'S MOST JUST COMPANIES

Now, more than ever, our world needs companies like yours to continue to build a just economy that serves all Americans. Employees, customers, investors, and society expect more today from companies and corporate leaders, and we thank you and your teams for stepping up through these challenging times, demonstrating what good looks like and delivering strong, impactful, and stakeholder-focused leadership.

These guidelines and the Seal Toolkit serve to help you showcase your recognition as one of America's Most JUST Companies throughout the coming year. Share with your CSR, Communications, People and Human Resources, and Investor Relations teams to bolster corporate reputation, attract and retain talent, and drive investor momentum.

This document serves as a guide for how to utilize the expanded family of Seals, providing ideas for placement and specifications for usage.

Please note that by using the Seal in any context, you agree to the terms of the [JUST Capital Seal License Agreement](#).

THE JUST SEAL

Companies in the JUST 100 and Industry Leaders lists can claim the foundational **JUST Seal**, an emblem of excellent overall performance on the issues that matter most to the American public.

The core elements of the JUST Seal cannot be altered, including type, style, and color. However, if your company was awarded a JUST Capital Seal in previous years, your Seal can feature past dates (e.g. 2022, 2023, 2024).

JUST INDUSTRY SEAL

The top ranked company in each of our 36 industries can claim the **JUST Industry Seal**, communicating outstanding leadership against their peers.

This Seal is available in two designed versions – with and without a shape – that can be woven into CSR Reports, touted at industry convenings, elevated in shareholder communications, and more. The core elements of the JUST Industry Seal cannot be altered, including industry designation, type style, and color. However, if your company was the JUST Industry Leader in prior years, your Seal can feature past dates (e.g. 2022, 2023, 2024).

CLEAR SPACE

To maximize readability and impact, add a clear space around the Seal, in which no other element is placed.

The minimum clear space is defined using the height of 'U' from the JUST Seal wordmark all around the logo.

This is applied to all versions of the Seal. While we indicate the minimum clear space, leave as much space around them as possible.
